

SUPERARTS AGENCY &
MANAGEMENT

Thank you for your interest in Superarts Agency.

Superarts is a sole rep agency- We manage our members, from collating all necessary information, preparing and sending them on auditions, confirming shoot/job details, to invoicing clients and paying our talent.

We thoroughly enjoy working with all of our talent, parents and children on a personal and approachable level, ensuring constant and positive feedback.

Here at Superarts we use Spotlight, the leading platform for all castings UK and worldwide. We use this to promote and submit our talent for jobs ranging from Tv series, Films, Stage shows and commercials, as well as modelling. Though we can not guarantee any work from this, it is the only way we as an agency can submit talent for castings.

Please note joining the agency is a huge commitment and we would require your help and understanding within the casting process. This includes updating us with availability and any changes in yours and your child's schedule, be available to get your children to castings at late notice and supplying professional headshots.

Current Fees

To join Superarts there will be a one off fee of £100 per child.

To Join Spotlight this will cost £103 for the year equivalating to just 0.28p a day.

Here at Superarts we also require professional headshots. We have an amazing photographer Olufemi who is extremely talented and has an outstanding rate of just £75 per shoot. I have attached Femis website for your perusal

Joining the agency

We pride ourselves in the talent we promote and therefore we hold an audition process for any new applicants. Please note that not all talent will be successful in joining the agency and they may be asked to re apply at a later stage.

First round: Self tape submission

Please video record talent and state the below:

-Name, age and an interesting fact.

-Monologue, song or dance of their choice. (All three can be sent if talent is confident in all facets)

- Any recent photographs or headshots

Second round:

After viewing submissions we may call a face to face audition. This is usually a workshop style audition, to have a bit of fun and to get to know the talent more.

Following deliberations we will then let you know whether the applicant has been successful.

If Superarts is the agency for you, we would kindly ask that you follow the first round of our audition process.

Please send Self tape video submission to susan@superartsagency.com
